# ADVOCACY

“As the world failed to intervene, you lived it, you lost family, you lost homes; you struggled to maintain your dignity. This was not a civil war – this was genocide! Plain and simple genocide, Remind your children of the past – everyone should know the past! You made enormous sacrifices, all for one purpose, to live in a peaceful and necessarily multi-ethnic democracy.”

***Vice President Joseph R. Biden***

## **10th Anniversary Gala**

On February 25, 2017, Bosnian Americans and friends of Bosnia and Herzegovina gathered in Washington, D.C. to celebrate the 10th Anniversary of the Advisory Council for Bosnia and Herzegovina (ACBH) as well as the 25th anniversary of the U.S. recognition of Bosnia and Herzegovina's (BiH) independence. The keynote address was delivered by former Vice President of the United States, Joseph R. Biden, Jr. who was honored with the ACBH Lifetime Achievement Award for his role in stopping the genocide and ethnic cleansing in BiH.

## Congressional Caucus on BiH

ACBH established the Congressional Caucus on BiH (Bosnia Caucus), which currently includes 22 members of U.S. Congress. The Bosnia Caucus is led by Congressman Chris Smith (R-NJ) and Congresswoman Eddie Bernice Johnson (D-TX) and consists of members from both political parties and both chambers of Congress. The Bosnia Caucus is actively engaged in U.S. policy towards Bosnia and Herzegovina (BiH) and enhancing the relationship between the two countries.

Additionally, Since 2007, ACBH has organized three successful Congressional trips to BiH visiting Sarajevo, Srebrenica, Maglaj, Mostar, and Konjic and providing members of U.S. Congress and their senior staff with first-hand knowledge of the issues that BiH is facing and the need for continued U.S. engagement.

## Senator Dole Lifetime Achievement Award

On February 25, 2017, ACBH awarded former Republican Senator from Kansas, Robert Joseph "Bob" Dole with a Lifetime Achievement Award for his unwavering commitment to BiH that helped lead to peace. Senator Dole expressed sincere gratitude and stated that preserving our values at home, while promoting them abroad not only benefits the United States, but also helps strengthen democratic values and principles overseas. Further, Senator Dole stated that the U.S. firmly stands by BiH's sovereignty and territorial integrity and warned that efforts to undermine and weaken BiH's institutions can only lead to instability and that such efforts are not in the interest of the United States.

## Srebrenica Genocide Resolution

ACBH initiated language and process for the Senate Resolution 134 and the House Resolution 199, also known as the Srebrenica Genocide Resolution, which confirmed that "the policies of aggression and ethnic cleansing as implemented by Serb forces in Bosnia and Herzegovina from 1992 to 1995 meet the terms defining the crime of genocide." This paved the way for a similar resolution in the EU Parliament. In addition, ACBH helped write the language and pass House Resolution 310 commemorating 20 years since the Srebrenica Genocide and acknowledging that genocide took place on the entire territory of BiH – highlighting cities such as Sarajevo and Prijedor and the crimes that took place there.

# ADVOCACY

## State Legislation

ACBH facilitated the correction of Texas Senate Concurrent Resolution No. 39 which stated that "in April of 1992, the Siege of Sarajevo began, leading to the deaths of more than 2,000 Serbs." With the help from the American Jewish Committee, ACBH was able to change the language to state that "Over 100,000 Bosniak civilians were killed along with other ethnic groups and minorities between 1992-1995 as a result of a Serbian campaign of genocide and ethnic cleansing in Bosnia and Herzegovina aimed at destroying the multi-ethnic society there."

## UN Secretary-General Selection

ACBH successfully ensured that the former Serbian Foreign Minister Vuk Jeremic was not selected as the UN Secretary-General. Apart from sending letters to various UN member states, ACBH also met with the U.S. Mission to the UN informing them that during his time as President of the 67th UN General Assembly (UNGA), Mr. Jeremic consistently used the UN as a platform to spread Serbian nationalist agenda by organizing highly inappropriate and controversial events.

## Srebrenica Genocide Commemoration

Each year, ACBH organizes the Srebrenica Genocide commemoration in U.S. Congress where we commemorate the victims and inform members of Congress, staff and participants on the dangers of genocide denial and the importance of continued and more robust U.S. engagement in BiH.

# GIVING BACK

*ACBH with Members of U.S. Congress and former BiH Ambassador to the U.S. in presenting the \$100,000 grant to the Marshall Legacy Institute which works on eradicating landmines in BiH.*

## Flood Relief

During the devastating floods in 2014, ACBH secured \$100,000 from the Turkish Coalition of America (TCA) and another \$100,000 from the U.S. Department of State in order to help with the de-mining efforts in mine contaminated areas of BiH. The heavy flooding shifted wartime landmines, killing adults and small children. BiH continues to be the most mine contaminated country in Europe, and with our partnership with the Marshall Legacy Institute, ACBH hopes to contribute to a mine-free BiH where its men, women, and children can live and prosper in peace.

# JOIN US

Dear Friends of Bosnia and Herzegovina,

On behalf of the Advisory Council for Bosnia and Herzegovina's (ACBH) Board of Directors, staff and volunteers we want to invite you to join us in fighting for the cause that is Bosnia and Herzegovina! As we look back on this decade of advocacy and the 25th anniversary of the U.S. recognition of Bosnia and Herzegovina's (BiH) independence, we must remain steadfast in our efforts to counter threats to peace, stability and progress in BiH.

We are proud of the accomplishments that we have achieved over the past ten years and recognize that we could not have met those goals without our generous donors, partners, volunteers, government allies, Board of Directors, Board of Trustees, and staff. Their unwavering support has enabled ACBH to lead the way in ensuring that the Bosnian American diaspora has a voice in Washington, D.C. and that BiH's history, including the genocide, are accurately represented.

In this critical time to secure BiH's democracy, ACBH calls on all friends of BiH to join us in working towards safeguarding BiH's sovereignty, security and territorial integrity. What remains true to this day is that BiH's strength lies in its people and its centuries-old multi-ethnic fabric, and we thank you for supporting us in advocating for universal values that support a united and democratic BiH.

To enable us to continue giving the Bosnian American diaspora a voice, a seat at the table, and to ensure that the truth is safeguarded, we invite you to make a tax-deductible financial contribution to ACBH today!

Thank you for standing with us, and we look forward to your continued support and partnership.
